

LETTER OF APPRECIATION

Date: 06th August 2025

This is to certify that **Saladi Sri Gowtham Ranga Sai** has demonstrated exceptional dedication and made invaluable contributions to the **X-Kernel** Club across various significant roles during his tenure.

He held the position of **President** during the academic year **2024–2025**, where his leadership was instrumental in the club's rapid growth and continued success. Under his guidance, the club not only expanded its reach but also strengthened its focus on promoting coding and technical excellence among students. One of his notable achievements was leading the organization of the club's flagship annual flagship event, which featured over 30+ diverse technical and non-technical events conducted across the college. His strategic planning, problem-solving skills, and ability to coordinate large-scale events played a crucial role in making the event a grand success and boosting participation across departments.

During his tenure as a member of the **Executive Team** in **2023–2024**, he actively contributed to the planning and execution of several coding challenges. His commitment to encouraging a coding culture and empowering peers through engaging and skill-enhancing events was evident throughout. His technical acumen, consistent dedication, and collaborative approach helped build a strong, inclusive, and technically vibrant community within the X-Kernel Club.

We extend our heartfelt congratulations to him for his outstanding contributions, leadership, and unwavering commitment to the club's mission.

LETTER OF APPRECIATION

Date: 06th August 2025

This is to certify that **Akhila Ganapavarapu** has demonstrated remarkable dedication and leadership through her impactful contributions to the **X-Kernel** Club during her tenure in key positions.

She held the position of **Vice President** during the academic year **2024 - 2025**, she played a pivotal role in driving the club's initiatives, providing strategic support, and helping guide the team through a phase of strong growth and innovation. Her ability to lead with clarity and collaborate effectively across teams significantly enhanced the planning and execution of major club events, including the annual flagship event featuring 30+ technical and non-technical activities across departments.

In the academic year **2023-2024**, she held the role of **Executive Team**, where she actively curated and executed coding events, workshops, and technical sessions aimed at fostering a strong programming culture. Her technical expertise, initiative, and mentoring approach made a lasting impact on peer learning and club engagement.

Akhila's consistent dedication, problem-solving mindset, and leadership qualities have been instrumental in shaping a collaborative and technically enriched environment within the X-Kernel Club.

We extend our heartfelt congratulations to him for his outstanding contributions, leadership, and unwavering commitment to the club's mission.

LETTER OF APPRECIATION

Date: 06th August 2025

This is to certify that **Nizampet Shiva Goud** has demonstrated exceptional dedication and made invaluable contributions to the **X-Kernel** Club across various significant roles during his tenure.

He held the position of **Graphic Design and Logistics Lead** during the academic year **2024–2025**, where his creativity and organizational abilities were instrumental in shaping the club's visual identity and ensuring the smooth execution of major events. His work played a crucial role in enhancing the visibility and professionalism of the club's initiatives. He led the design efforts for promotional campaigns, event branding, and digital assets, all of which contributed significantly to the club's outreach and engagement. In addition, his effective coordination of logistical operations helped streamline event setups and ensured seamless execution during the club's flagship annual event, which featured over 30+ diverse technical and non-technical events conducted across the college.

During his tenure as **Design Team Lead** in **2023–2024**, he showcased remarkable talent in visual storytelling and guided a team of designers to create impactful and aesthetically appealing content for coding challenges, and other events. His commitment to detail, innovation, and teamwork elevated the overall design quality and set high standards for future creative work within the club.

We extend our heartfelt congratulations to him for his outstanding contributions, leadership, and unwavering commitment to the club's mission.

LETTER OF APPRECIATION

Date: 06th August 2025

This is to certify that **Boddu Esha Kiran Mai** has shown exceptional dedication and made significant contributions to the **X-Kernel** Club through her commitment and impactful involvement in key leadership roles during her tenure.

She held the position of **General Secretary** during the academic year **2024–2025**, where her organizational acumen and proactive coordination were instrumental in the club's smooth functioning and strategic growth. Esha played a vital role in managing operations, streamlining communication, and ensuring the successful execution of numerous events. Her dedication to fostering a collaborative environment and her meticulous attention to detail contributed greatly to the club's continued success. She was a key part of the core team behind the club's annual flagship event, helping coordinate over 30+ technical and non-technical events across the campus, and ensuring high levels of participation and engagement from students across departments.

In the academic year **2023–2024**, she served as the **Publicity Lead**, where she was responsible for driving the club's outreach and engagement efforts. Through her creativity, timely promotions, and strategic use of digital platforms, she significantly enhanced the club's visibility and event turnout. Her contributions were crucial in building a strong public presence and attracting a diverse range of participants to club initiatives. Her efforts have left a meaningful and lasting impact on the club's journey.

We extend our heartfelt congratulations to him for his outstanding contributions, leadership, and unwavering commitment to the club's mission.

LETTER OF APPRECIATION

Date: 06th August 2025

This is to certify that **Prajakta Karingula** has shown commendable dedication and played a vital role in the success of the **X-Kernel** Club through her contributions in key leadership positions.

She held the position of **General Secretary** for the academic year **2024–2025**, she efficiently managed the club's operations, communications, and event coordination. Her structured approach and organizational skills were instrumental in ensuring the smooth execution of club activities and maintaining strong internal collaboration. She played a key role in the planning and logistics of the club's annual flagship event, contributing to the seamless coordination of 30+ technical and non-technical events across the campus.

In her role as **Database Lead** during **2023–2024**, she was responsible for managing and maintaining vital data systems that supported event registrations, participant tracking, and feedback analysis. Her precision, reliability, and commitment to data integrity significantly improved the club's operational efficiency.

Prajakta's consistency, technical competence, and team-oriented mindset have left a positive and lasting impact on the club's functioning and culture.

We extend our heartfelt congratulations to him for his outstanding contributions, leadership, and unwavering commitment to the club's mission.
